The Missouri Department of Transportation has announced the start of a new round of Transportation Enhancement Funding. Informational workshops for cities and counties interested in applying for Enhancement Funds will be held in both Districts 9 and 10. The District 10 workshop will be held from 9:00 to 11:30 a.m. on Wednesday, September 15, at MoDOT's Southeast District office located at 2675 North Main Street in Sikeston. The District 9 workshop will be held from 10:00 a.m. to 2:30 p.m. (lunch provided) on Thursday, September 16 at the MoDOT's South Central District office located at 910 Springfield Road in Willow Springs.

Transportation Enhancement funds are federal funds available to local public agencies for projects to construct sidewalks, trails and bike lanes, to make ADA improvements to existing sidewalks and for other eligible activities. A complete list of eligible activities is available at <http://www.enhancements.org/>. Local public agencies are reimbursed for eligible project costs at a rate of 80% with the local agency providing a 20% match.

Cities or counties interested in applying for Enhancement Funds are encouraged to attend the appropriate workshop. To register for the District 10 Workshop, please contact Senior Office Assistant Jo Ann Secoy at (573) 472-5885 or joann.secoy@modot.mo.gov.
